1.Conference Introduction

The 2018 3rd International Symposium on Computer Science and Sports Engineering (ISCSSE 2018) will be held during June 8-10, 2018 in Nanjing, China. ISCSSE 2018 is to bring together innovative academics and industrial experts in the field of computer science and sports engineering to a common forum. The primary goal of the conference is to promote research and developmental activities in computer science and sports engineering and another goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working all around the world. ISCSSE will be held every year to make it an ideal platform for people to share views and experiences in computer science and sports engineering and related areas.

All papers of ISCSSE2018 will be published by [Atlantis Press](#) on [《Advances in Computer Science Research》 \(ISSN 2352-538X\)](#) and submitted to [CPCI&CNKI](#).
