

Brief CV

Name	Xian Jia	中文名	贾先	 PHOTO
Gender	Female	Title (Pro./Dr.)	Associate Professor	
Position (President...)	-	Country	China	
University/ Department	Xi'an Siyuan University			
Personal Website	-			
Research Area	Mechanical Engineering			

Brief introduction of your research experience:

Jia Xian is currently an Associate Professor in College of Engineering, Xi'an Siyuan University. She has published more than 10 journal papers. Her research interests includes Mechanical Engineering, green manufacturing and so on.
