

Brief CV

Name	Mohd Faizul Mohd Sabri	中文名		
Gender	Male	Title (Pro./Dr.)	Assoc. Prof. Dr.	
Position (President...)	Deputy Dean of Research	Country	Malaysia	
University/ Department	Department of Mechanical Engineering, Faculty of Engineering, University of Malaya, Malaysia			
Personal Website	https://nme.um.edu.my/ https://umexpert.um.edu.my/faizul.html			
Research Area	Thermoelectric, Electronic packaging, MEMS and Materials Engineering			
<p>Brief introduction of your research experience:</p> <p>His research interests are in thermoelectric materials and generators, lead-free solder alloys, and Micro-Electro-Mechanical Systems (MEMS). He has published over 120 scientific articles and filed 7 patents on the mentioned research topics. He is a reviewer for more than 30 peer reviewed journals and has served in a number of conferences as a technical committee member. He has also being invited as keynote speaker as well as invited speaker for several international conferences.</p>
