Welcome to ICEMCE 2019

The 2019 3rd International Conference on Electrical, Mechanical and Computer Engineering (ICEMCE 2019). The conference will be held in Guizhou,China during June 14-16,2019. The aim objective of ICEMCE is to present the latest research and results of scientists related to electrical, mechanical and computer engineering topics. This conference provides opportunities for the different areas delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. We hope that the conference results constituted significant contribution to the knowledge in these up to date scientific field.
