

Brief CV

Name	Chia-Hung Chang	中文名	張家宏	
Gender	mail	Title (Pro./Dr.)	Assistant Professor	
Position (President...)	Assistant Professor	Country/ Region	Taiwan	
University/ Department	Feng Chia University/ Electrical Engineering			
Personal Website	http://chchang.edublogs.org/			
Research Area	Microwave/RF Integrated Circuits & Systems, Bio-sensor readout, and Microwave Radar Circuits & Systems			
Brief introduction of your research experience:				
<p>Chia-Hung Chang was born in Taipei, Taiwan, R.O.C., in 1982. He received the B.S. degree in electrical engineering from Yuan Ze University, Taiwan, in 2004, and the M.S. and Ph.D degrees in communication engineering from National Chiao Tung University, Hsinchu, Taiwan, in 2006 and 2011, respectively. He joined the System-on-Chip Technology Center, Industrial Technology Research Institute, Hsinchu in 2006, as an RF/analog integrated circuit design engineering. He was responsible for RF front-end transceiver for wireless communication system. In 2011, he worked on CMOS image sensor read-out circuit as an assistant research fellow in the National Applied Research Laboratory. From 2015 to 2017, he joined Chinese Culture University, Taipei, Taiwan, where he was an Assistant Professor of Electrical Engineering. Since 2017, he joins Feng Chia University, Taichung, Taiwan, where he is now an Assistant Professor of Electrical Engineering. His current research involves RF/microwave integrated circuits, radar system circuit design and biomedical circuit.</p>
