

Brief CV

Name	Norhashidah Awang	中文名		
Gender	Female	Title (Pro./Dr.)	Dr.	
Position (President...)	Senior Lecturer	Country/ Region	Malaysia	
University/ Department	School of Mathematical Sciences, Universiti Sains Malaysia			
Personal Website	None			
Research Area	Spatial Modelling, Time Series Modelling, Spatio-temporal Modelling			
Brief introduction of your research experience:				
<p>My research interests revolve around statistical modelling with particular focus are on time series analysis, spatial modelling and spatio-temporal modelling of environmental data. I have been working in the area of time series and spatial modeling since year 2000. My interest on spatio-temporal modeling started in year 2010.</p>
