Brief Introduction

The 2018 3rd International Conference on Mechanical Manufacture and Materials Processing Technology (IC3MPT 2018) will be held on April 13-15, 2018 in Hangzhou, China. IC3MPT 2018 is to bring together innovative academics and industrial experts in the field of mechanical manufacture and materials processing technology to a common forum. The primary goal of the conference is to promote research and developmental activities in mechanical manufacture and materials processing technology and another goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working all around the world. The conference will be held every year to make it an ideal platform for people to share views and experiences in mechanical manufacture and materials processing technology.

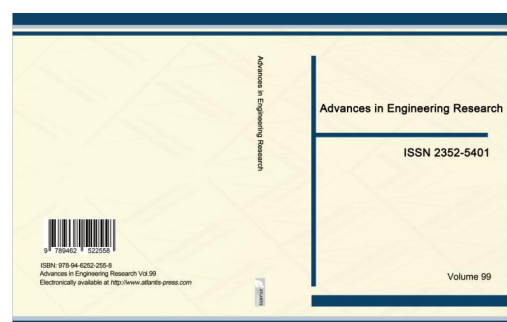

Paper Publication

★ The IC3MPT2018 conference proceedings will be published by **Atlantis Press(Advances in Engineering Research, ISSN 2352-5401)**. Atlantis Press will submit the proceedings to **CPCI and CNKI for indexing**.
