

Brief CV

*此表请提供中英翻译

English Name	Papurello Davide	中文姓名		
Gender	Male	Title (Pro./Dr.)	Dr.	
Position (President...)	Post.doc. researcher	Country	Italy	
University/Department	DENERG-POLITO			
Personal Web Sites				
Research Area	Energy, gas cleaning, waste to energy			
<p>Brief introduction of your research experience:</p> <p>I am currently employed as a post doc researcher at Energy department of Politecnico di Torino, I am involved in many research projects related mainly on the energy production with high efficiency systems, with waste to energy processes considering a circular economy approach. I am mainly involved on the experimentations process of the projects, even if I worked in several projects, as a proponent of the research topic writing the WP activities and dissemination proposal collaborating with national and international partners. For the dissemination process I wrote more than 30 articles and I participated on several conferences (national and international). My h-index is 13 with more than 392 citations on Scopus. I am available for experimentation on gas cleaning, gas production, VOCs monitoring, energy production with high efficiency systems.</p>
