

Resume

Name	Ruoyang Wu	中文名	吴若阳	
Gender	Male	Title (Pro./Dr.)	Dr.	
Position (President...)	Structural Engineer	Country	USA	
University/ Department	Wilson & Company			
Personal Website	https://www.researchgate.net/profile/Ruoyang_Wu			
Research Area	Finite Element Analysis, Earthquake Engineering; FRP Composites			

Brief introduction of your research experience:

Dr. Wu received his PhD degree from the University of Utah in USA and has been working on the seismic rehabilitation of structures using advanced composites, such as Carbon Fiber Reinforced Polymers (CFRP) in the past years. He also has worked on developing analytical model for predicting bond behaviors in the reinforced concrete beams. Currently, his research interests include Ultra High Performance Concrete (UHPC), FRP laminates and bars, and Shaped Memory Steel.
